

Dear _____,

I would like to invite you to market your business **and** support the San Marcos High School Water Polo team all in one simple move: purchase a 3'x5' banner that will hang up year-round at the new San Marcos High School pool.

San Marcos High has a long tradition of excellence, and we are particularly proud of the recent achievements of the U.S. Water Polo team, coached by San Marcos High alum, Terry Schroeder.

Last year, our new pool opened, and I would like to ask you to be a part of supporting SMHS Water Polo by purchasing a banner. Each banner costs \$500, and hangs for an entire calendar year. If you are renewing a banner it will only cost \$425.

- Each banner is 3'X5', and can be printed in as many colors as you like and can include pictures. If color is not vital to your banner please consider blue and red as those are our team colors.
- Banners will be seen year-round by fans of boys water polo, girls water polo, and both swim teams
- Simply provide us with a business card and/or any "message" (i.e. "Proud to be a Royal", "Royals pound 'em!", etc.), and/or design banner yourself, and we will take care of the rest. If you have a digital file of a business card you can also send that directly to the banner company.

Our goal this year is to raise \$5,000-\$10,000 in banner sales. Please make checks out to **San Marcos High School Boys Water Polo**. Our primary goal this year is to buy new bleachers for the pool deck.

Will you help us continue to run our program with excellence?

Proud to be a Royal,

Student Athlete
